

Get Connected with B2B meet

CENTRALLIA
www.centrallia.com

20-21-22 Oct 2010

Centrallia event is based on the internationally recognized business to business match-making forum called Futurallia, which has successfully brought thousands of businesses together since its founding in 1990.

Core of the concept are a series of 30 minute, pre-programmed, one-on-one meetings that allow businesses to quickly connect and find ground for common opportunity. It is an intense, yet friendly and cooperative environment, that allows delegates to meet with up to 12 potential trade partners over two days. Pre fixed meetings are organised based on the profile of the participant.

Further opportunities to meet and network are abundant through Centrallia's tradeshow and social events. It is simply one of the fastest, most efficient ways to expose your business to new markets and opportunities worldwide.

More than 500 small to medium sized businesses from around the world will gather in **Winnipeg, Manitoba, Canada**, during Centrallia to form new business relationships of mutual benefit. This global business to business forum gives the opportunity to forge profitable alliances with companies located in the Americas and across the world. Participation from more than 20 world economic regions are expected.

Centrallia is ideal for Indian businesses interested in import, export, investment, jointventures and collaborations in the industries including :
